

Patients of Penrhyn Surgery

Your Opinion Matters

We are conducting a survey from our patients to find out what is important to them in regard to the services and care that we provide.

If you would like to take part, we would be very glad to hear from you.

You can give us your feedback by either

- a) Filling out the paper copy survey form letter (copies close to the poster), or
- b) *If you have a smart phone you can use the QR code below to access a weblink with our feedback questions, or*

- c) Drop us an email on penrhyn.surgery@nhs.net or send us a letter with your thoughts and ideas.

We are constantly trying to provide a better service for our patients and would appreciate you helping us achieve this.
